The Village Car Derby will take place on February 8 from 5:30-8:00 pm. After a chili supper, the 3<sup>rd</sup> Annual Village Car Derby will take place. Race categories will be for adults or kids. Spectators are needed, so come out to cheer on the drivers even if you don't have a car entry. Prizes will be awarded.

Car kits are available at no cost from Wilbur Oudman or the Traditions office. If you've never made a derby car before, no worries! There are many videos and web posts on the internet. This one starts with a slightly different kit, but it uses every day household tools instead of power tools. You can make a new car or use one from a previous Village derby.
