NEWS & UPCOMING EVENTS

A NOTE FROM PUTMAN BUILDERS

Putman Builders is a family-owned and operated company building in the Chicagoland area for almost 40 years. Tony Putman started his career as a framing and interior trim carpenter, which

naturally led to building and general contracting homes.

Thirty years later, Putman Builders continues to operate and build in the Chicagoland area. Jason Putman, Tony's son, joined Putman Builders in a full-time capacity in 2018 after graduating from Grand Valley State University with an Accounting and Finance degree.

Together with our team, we have seen successful growth and look forward to expanding into Indiana, with our first multi-lot subdivision being the Village in Burns Harbor. We are very excited to be here and look forward to building this community and building beautiful homes. Please feel free to contact our team at any time!
